

# Agreement to Provide Insurance

I/We understand that to provide protection from serious financial loss, should an accident occur, my installment contract requires the collateral to be continuously covered with insurance against the risks of fire, theft and collision, and failure to provide such insurance gives \_\_\_\_\_ credit union the right to declare the entire unpaid balance immediately due and payable. Accordingly, I have arranged for the required insurance through the insurance company shown below and have requested my agent to note \_\_\_\_\_ credit union's interest in the collateral and endorse the policy with a loss payable endorsement (URB Form 51 or equivalent) in favor of \_\_\_\_\_ credit union, located at :

\_\_\_\_\_ .  
 Street City State Zip Code

I/We further understand that if for any reason the below described insurance is not obtained and continuously maintained, the Lender may, at its option, secure insurance according to the terms of my/our note or contract.
